SUITS YOU, SIR

Clothes, culture and collectibles maketh the man

NOW IS THE TIME TO FULFIL that promise to get a bit of culture into your life. The Art Gallery of South Australia has opened its North Terrace doors to the largest collection of contemporary British art to grace Australian shores in over a decade. The Saatchi Gallery in Adelaide: British Art Now exhibition, from the world-renowned London gallery, has works from over 40 of the UK's most prominent contemporary artists. The show features Tracey Emin's Turner Prize short-listed piece *My Bed*, and includes works such as the *Window, Smoke, Square* by Clunie Reid (right) in which she uses text to alter the way in which a magazine page is understood. All of the works present innovative perspectives by progressive artists. It's not to be missed.
